INTRODUCTION

This Handbook contains the selection policies, which will be used to select athletes for the Canadian Fencing Federations (CFF) High Performance Program (HPP) and projects within the CFF HPP during the 2013-14 season.

The objective of the CFF HPP is to design programs so that Canadian teams/athletes can win medals at the World Championships and Olympic Games on a sustained basis. This objective is the driving force behind any decision and orientations in the HPP.

While every effort has been made to ensure the accuracy of the material contained within this Handbook, readers are advised to consult with the Weapon Leaders (WL's) if they have questions about any element contained within.

Similarly, the dates of international selection competitions are accurate as of the date of publication of this Handbook, but dates and events can and do change. Please verify competition details before making final travel arrangements for events that are not National Team Projects (NTPs). Furthermore, it is the athlete's (and their personal coaches') responsibility to be familiar with the information within this document.

CHANGES TO THIS HANDBOOK

The CFF has taken every possible step to ensure that this material in this Handbook will remain accurate for the entire season, but in instances where changes do occur, specifically to international selection competitions, the Weapon Leaders (in consultation with the High Performance Advisory Committee (HPAC)) reserves the right to make changes to this Handbook, which in its discretion are necessary to ensure the selection of the best teams for the 2013-2014 season events.

Any changes to this Handbook shall be communicated directly to all National Team Members. This clause shall not be used to justify changes after a competition or trials, which formed part of the internal nomination procedure unless it is related to an unforeseen circumstance.

The purpose of this section is to allow for changes to this Handbook that may become necessary due to a typographical error or a lack of clarity in a definition or wording before it has an impact on athletes. The purpose of such changes must be in order to avoid disputes over the meaning of the provisions of this Handbook rather than to allow changes to be made to justify selection of different athletes than would have otherwise been selected.

All changes must be reasonably justifiable in accordance with fundamental principles of natural justice and procedural fairness.

KEY CHANGES FROM 2012-2013

There are two key changes for 2013-2014.

1) New for this season is the introduction of senior national A and B teams, with each team having selection criteria based on performance. A team members will be focused primarily on achieving results at the HP level (world cups, grand prix, pan-ams & world championships), while B team members will focus on development through the acquisition of international experience at NACs, German & French circuit competitions, as well as at world cups and grand prix when there are spots available.

2) Results-based selection criteria for senior world championships have been re-introduced.

The CFF is continuing to make progress in the development of its new strategic plan for 2020. A key component of this plan is the development of a new High Performance strategy, which will be developed by the HPAC in consultation with the high performance community in 2013-14. Any changes will start to be implemented in 2014-15.

CFF HIGH PERFORMANCE PROGRAM (HPP)

The Canadian Fencing Federation (CFF) has selected three (3) National Team Weapon Leaders, one for each weapon – foil, saber, and épée. The Weapon Leaders for 2013-14 are as follows:

- Paul ApSimon – Foil
- David Howes – Epée
- Stéphane Hamel/Benjamin Manano - Saber

The National Team Weapon Leaders (WLs) are the recognized leaders of the national team programs and work under the guidance of the CFF High Performance Advisory Committee. Each WL establishes the annual competition schedule, the training camp schedule, and plans the use of IST at events for their Weapon group. The WL is instrumental in the development of the Team Handbook for cadet, junior, and senior fencers, and assists in the implementation of all national team programs for the quadrennial. The WL will bring together coaches through the creation of a “Coaching Team” to work towards the common goal of implementing the weapon’s program and sustaining it.

In the HPP, there are two levels of athletes: the National A Team and the National B Team.

National A Team athletes are anticipated to follow the expectations for athletes in the Train to Win stage of the CFF’s LTAD framework. HP succession athletes will be in either the Train to Win or Train to Compete stage. Weapon Leaders will work with personal coaches to develop an annual training and competition plan that is consistent with the stage of development of each

athlete. Failure to follow this plan or communicate your training progress to the Weapon Leader on a regular basis (as defined by the Weapon Leader) will result in your removal from the HPP.

The primary focus for National A Team athletes will be on performing at senior world cups, grand prix, and other competitions as designated by the respective Weapon Leader. As a result, National A Team members will be given first priority for entry to all senior world cups and grand prix events.

The primary focus for National B Team athletes will be on gaining international experience at North American Cups, French & German Circuit competitions, and satellite world cups. National B Team members will only be approved to enter senior world cups and grand prix events if there are spots available.

Athletes who accept the invitation to join the CFF HPP will be assessed a joining fee of \$500. The purpose of this fee is to ensure program coordination.

a) Qualification for 2013-2014 HPP – Senior National A Team

In order to be eligible to apply for the Senior National A Team, an athlete must meet one of the following criteria, which are listed in order of priority:

5. the WL's may also invite additional athletes to join the Senior National B Team who they feel have demonstrated the potential for future international success.

c) HPP Application Procedures

In order to be eligible to apply for the HPP, an athlete must meet the above criteria and hold a validated CFF license for the 2013-2014 season. To be accepted in the HPP, a fencer must also:

1. purchase a FIE license on the CFF web site for the 2013-2014 season;
2. complete the HPP Application Procedures; and
3. have no outstanding debts with the CFF

Those athletes who have been accepted into the HPP will appear on the first Senior HPP Selection Rankings to appear after the first Canada Cup in October 2013. Any fencers who are invited mid-season will be added when they are accepted and any previously obtained result in the identified selection competitions will be counted for the HPP Rankings.

NOTE: The Weapon Leader will have final approval regarding all selections to the HPP. An athlete's application may be rejected for a number of reasons including, but not limited to:

1. failure to attend any mandatory training camps during the 2012-2013 season;

2. failure to report their training activities on a regular basis as directed by the Weapon Leader during the 2012-2013 season; or
3. violated the CFF code of conduct during the 2012-2013 season.

CFF SELECTION POLICIES

NOTE: In the event of a dispute over a selection, athletes can find the [CFF Selection Appeals Policy](#) on the CFF website.

a) Eligibility for Selections

To be eligible for selection for any FIE competition or National Team Project (NTP), a fencer must:

1. have a validated 2013-2014 CFF license;
2. have a 2013-2014 FIE license for Canada;
3. be a Canadian Citizen or hold a Canadian Permanent Resident status; and
4. meet any published selection criteria for the respective competition.

Please see the CFF website to purchase a FIE licenses.

b) North America Cups (NAC's) and non FIE International Competitions

Selection: Open to any Canadian athlete with a CFF and FIE license.

The CFF does not make any selections for NAC's or non FIE competitions. Fencers are responsible for their own registration and travel arrangements to these competitions, unless the competition is identified as part of a NTP. Please confirm all dates, locations and registration deadlines on the respective websites before booking flights:

NAC – USFA: www.usfencing.org

French Circuit – FFE: www.escrime-ffe.fr

German Circuit – DFB: www.fechten.org

The organizers may impose additional qualification standards for participation (ie. FIE license in France or Germany, USFA-C classification for NAC's, etc.). All athletes should verify with the organizers whether they are eligible to compete prior to making travel arrangements. Also, athletes should be aware that they may be required to pay additional fees (eg. pay for a referee if there are more than 3 entered in a German circuit). Some additional work with the Weapon Leaders may be required to ensure all standards are met to the satisfaction of the organizers. A long lead-up time to these events is strongly recommended.

c) FIE Sanctioned competitions (GP, FIE A and Satellite)

Registration for FIE competitions and NTP's.

Only the CFF can register fencers for FIE competitions. Consequently, all requests for registration for a FIE competition that is not part of a NTP must be made as indicated in the sections below.

Minimum Qualification Standard: To be eligible to compete in an FIE competition held outside of Canada, a fencer must have a valid FIE and CFF license for the current season.

Registration deadline: 35 days (5 weeks) before the first day of competition of any FIE competition.

Entry Procedures: Fencers must complete the online request process on the CFF website found under the High Performance tab before the registration deadline to be considered for selection for a FIE competition. Submission of this Form does not guarantee fencers a spot in the competition. For non-HP fencers, the registration fee will be refunded if not selected.

Late entries: Will not be accepted.

Entry Limitations: CFF will select a maximum of 12 fencers for any Senior World Cup, 8 for a Grand Prix competition and 4 for a satellite competition. The quota for a Grand Prix event staged in Canada is 12.

Final Entry Selection: Within five (5) business days after the deadline, the list of selected fencers for the competition will be finalized. The list of selected fencer will be compiled as follows, with the WL having final approval:

- Registrations will first be accepted from Senior National A Team members and will be prioritized according to the HPP rankings.
- Registrations will then be accepted from Senior National B Team members and will be prioritized according to the HPP rankings.
- Any other athletes who are not members of the HPP may request permission from the WL to register if there are still spots available;

Results that change the point standings between the selection date and the competition have no bearing on the selection. The registration list for (NTPs only) is then emailed out to all fencers (and their personal coaches) who have submitted the entry Form to the e-mail provided on the Form and to the pertinent WL's.

Confirmation of Attendance to International Competition: Fencers are required to confirm their participation in the World Cup or Grand Prix by replying to the selection email sent to all fencers within 72 hours. If a reply is not received within this timeframe it will be taken as a refusal of selection.

Withdrawals from an FIE Competition: Withdrawals must be received by the CFF by e-mail at hppc@fencing.ca and ed@fencing.ca, at least 14 days prior to the first day of the competition. Voice mail is not acceptable. Fencers withdrawing after the deadline or who do not show up at the competition will be fined **\$1,500.00 and will be suspended from any future International selections until the fine is paid**. This is a fine assessed by the FIE to the CFF and it will be passed on to the athlete at fault. Exception to this fine will be considered if the fencer is withdrawing due to a “force majeure” situation such as an injury or illness, which prevents the fencer from competing. Medical documentation from a doctor must accompany the withdrawal notice, which must be sent by e-mail with the withdrawal request **before** the scheduled competition.

Notification

Following confirmation of participation, the final registration list (for NTPs only) is e-mailed to all fencers, their personal coaches and to the pertinent WL's.

Minor athletes participating in any of these events must be accompanied by an adult (parent, personal coach or other guardian as outlined in a letter sent to the CFF).

Athletes should not make any travel arrangements until they have received an e-mail confirming that they are registered.

d) National Team Projects (NTP's)

In each weapon, certain designated International selection competitions have also been designated as NTP's.

Each HPP athlete will be provided with a tracksuit the first time that they register for the CFF HPP during the 2012-2016 quadrennial. All athletes must keep this podium suit until the conclusion of the 2016 season and wear it for all NTP's and any other team selections. Should an athlete require a new podium suit, the athlete will be charged a \$150 replacement fee.

Athletes are responsible for all costs associated with NTP's, include airfare, ground transportation, accommodation, food and any individual competition entry fees.

Athlete will be invoiced and payment for any amount owed to the CFF is to be received **prior** to the event through the CFF on-line payment system, unless prior arrangements have been made with the CFF. If the athlete has overpaid or holds a credit, the balance will be retained by the CFF and used as a credit for following events. Credit balances will be refunded to the athlete at the end of the season. Athletes will be sent an invoices and statements by e-mail indicating the amount owed for each NTP.

Athletes that have unpaid accounts will not be eligible to compete in events and any points so earned will not count towards an HP selection rankings.

The CFF imposes an interest charge for any amounts that are 30 days past due of 2.5% per month. Furthermore, any HPP athlete who has an outstanding balance with the CFF will not be selected for an NTP until all past due accounts have been settled.

Selection Process and Criteria for NTP's: The WL for the respective weapon will make all selections for the NTP's using the following criteria:

1. The selection dates and the maximum number of athletes who will be selected from the HPP according to the CFF *High Performance Athlete Selection Policy* for each NTP are listed in the respective weapon program calendar, which will be distributed to all athletes registered in the HPP for the current season.
2. For NTP's that include a Team World Cup, the WL will select the athletes to participate in the Team event. All other athletes participating in the project will only participate in the individual event.
3. In the case where an NTP consists of multiple competitions and there are fewer athletes accepting the selection than the number of spots available, the WL may select athletes for only one of the competitions. This selection will only be finalized once all HPP athletes have been given an opportunity to accept/decline the selection for the entire NTP. The CFF Senior HP Rankings will be used to fill any spots for a single competition within a NTP.

NOTES

- Carded athletes, are reminded that they are required to take part in all NTP's (for which they are selected) in their entirety. Failure to do so could result in the WL recommending that the athlete be removed from the HPP and carding be revoked.
- Carded athletes who are still juniors may be exempted by the WL from a NTP or part of an NTP to focus on their preparation for the Junior World Championships.

NOTE

Selections are conditional on the selected athlete following their WL approved training and competition plan, regularly submitting training progress reports in accordance with WL guidelines, and taking part in any pre-Senior Pan-American Championships and Senior World Championships mandatory training camps prior to the events. Exemptions can be requested in advance of a specific event. Exemptions will be granted on a case-by-case basis once discussed between the ED and the WL's.
