## **INTRODUCTION**

This Handbook contains the selection policies, which will be used to select athletes for the Canadian Fencing Federations (CFF) High Performance Program (HPP) and projects within the CFF HPP during the 2017-18 season.

The objective of the CFF HPP is to design programs so that Canadian teams/athletes can win medals at the World Championships and Olympic Games on a sustained basis. This objective is the driving force behind any decision and orientations in the HPP.

While every effort has been made to ensure the accuracy of the material contained within this Handbook, readers are advised to consult with the person in charge of the HP program if they have questions about any element contained within.

Similarly, the dates of international selection competitions are accurate as of the date of publication of this Handbook, but dates and events can and do change. Please verify competition details before making final travel arrangements for events that are not National Team Projects (NTPs). Furthermore, it is the athlete's (and their personal coaches') responsibility to be familiar with the information within this document.

## **CHANGES TO THIS HANDBOOK**

The CFF has taken every possible step to ensure that this material in this Handbook will remain accurate for the entire season, but in instances where changes do occur, specifically to international selection competitions, the person in charge of the HP program (in consultation with the High Performance Advisory Committee (HPAC)) reserves the right to make changes to this Handbook, which in its discretion are necessary to ensure the selection of the best teams for the 2017-2018 season events.

Any changes to this Handbook shall be communicated directly to all National Team Members. This clause shall not be used to justify changes after a competition or trials, which formed part of the internal nomination procedure unless it is related to an unforeseen circumstance.

The purpose of this section is to allow for changes to this Handbook that may become necessary due to a typographical error or a lack of clarity in a definition or wording before it has an impact on athletes. The purpose of such changes must be in order to avoid disputes over the meaning of the provisions of this Handbook rather than to allow changes to be made to justify selection of different athletes than would have otherwise been selected.

All changes must be reasonably justifiable in accordance with fundamental principles of natural justice and procedural fairness.

## **CFF HIGH PERFORMANCE PROGRAM (HPP)**

The Canadian Fencing Federation (CFF) has 6 Senior National Team Program coaches for each weapon and gender.

The Senior National Team Coaches (NTC) are the recognized leaders of their national team program and work under the guidance of the CFF High Performance Committee. Each Senior NTC establishes the annual competition schedule, the training camp schedule, and plans the use of IST at events for their program. The Senior NTC will bring together coaches through the creation of a “Coaching Team” to work towards the common goal of implementing the weapon’s program and sustaining it.

National A Team athletes are anticipated to follow the expectations for athletes in the Train to Win stage of the CFF’s LTAD framework. HP succession athletes will be in either the Train to Win or Train to Compete stage. Senior NTC’s will work with personal coaches to develop an annual training and competition plan that is consistent with the stage of development of each athlete. Failure to follow this plan or communicate your training progress to the Senior NTC on a regular basis (as defined by the Senior NTC) will result in your removal from the HPP.

The primary focus for National A Team athletes will be on performing at senior world cups, grand prix, and other competitions as designated by the respective Senior NTC. As a result, National A Team members will be given first priority for entry to all senior world cups and grand prix events.

Athletes who accept the invitation to join the CFF HPP will be assessed a joining fee of that can be paid online. The purpose of this fee is to ensure program coordination.

### ***1. HPP Application Procedures***

In order to be eligible to apply for the HPP, an athlete must meet the above criteria and hold a validated CFF license for the 2017-2018 season. To be accepted in the HPP, a fencer must also:

1. purchase a FIE license on the CFF web site for the 2017-2018 season;
2. complete the HPP Application Procedures; and
3. have no outstanding debts with the CFF

Those athletes who have applied to the HPP will appear on the first Senior HPP Selection Rankings to appear in September 2017. Any fencers who are invited mid-season will be added when they are accepted and any previously obtained result in the identified selection competitions will be counted for the HPP Rankings.

**NOTE:** The Senior NTC will have final approval regarding all selections to the HPP. An athlete’s application may be rejected for a number of reasons including, but not limited to:

1. failure to attend any mandatory training camps during the 2016-2017 season;
2. failure to report their training activities on a regular basis as directed by the National Coach during the 2016-2017 season; or
3. violation of the CFF code of conduct during the 2016-2017 season.

## **CFF SELECTION POLICIES**

NOTE: In the event of a dispute over a selection, athletes can find the [CFF Selection Appeals Policy](#) on the CFF website.

### **2. Eligibility for Selections**

To be eligible for selection for any FIE competition or National Team Project (NTP), a fencer must:

1. have a validated 2017-2018 CFF license;
2. have a 2017-2018 FIE license for Canada;
3. be a Canadian Citizen; and
4. meet any published selection criteria for the respective competition.

Please see the CFF website to purchase a FIE licenses.

### **3. North America Cups (NAC's) and non FIE International Competitions**

Selection: Open to any Canadian athlete with a CFF and FIE license.

The CFF does not make any selections for NAC's or non FIE competitions. Fencers are responsible for their own registration and travel arrangements to these competitions, unless the competition is identified as part of a NTP. Please confirm all dates, locations and registration deadlines on the respective websites before booking flights:

NAC – USFA: [www.usfencing.org](http://www.usfencing.org)

French Circuit – FFE: [www.escrime-ffe.fr](http://www.escrime-ffe.fr)

German Circuit – DFB: [www.fechten.org](http://www.fechten.org)

The organizers may impose additional qualification standards for participation (ie. FIE license in France or Germany, USFA-C classification for NAC's, etc.). All athletes should verify with the organizers whether they are eligible to compete prior to making travel arrangements. Also, athletes should be aware that they may be required to pay additional fees (eg. pay for a referee if there are more than 3 entered in a German circuit). Some additional work with the Senior NTC's

---

may be required to ensure all standards are met to the satisfaction of the organizers. A long lead-up time to these events is strongly recommended.

#### ***4. FIE Sanctioned competitions (GP, FIE A and Satellite)***

Registration for FIE competitions:

Only the CFF can register fencers for FIE competitions. Consequently, all requests for registration for an FIE competition must be made as indicated in the sections below.

**Minimum Qualification Standard:** To be eligible to compete in an FIE competition held outside of Canada, a fencer must have a valid FIE and CFF license for the current season. For entry to a world cup or grand prix, an athlete must have achieved senior criteria in the previous 2 years and following team program or have approval of the national coach.

**Registration deadline:** 35 days (5 weeks) before the first day of competition of any FIE competition. If available spots remain after the 35 day deadline, they can be filled on a first come first serve basis upon payment of a late fee.

**Entry Procedures:** Fencers must complete the online request process on the CFF website before the registration deadline to be considered for selection for a FIE competition. Submission of this Form does not guarantee fencers a spot in the competition. For non-HP fencers, the registration fee will be refunded if not selected.

**Entry Limitations:** CFF will select a maximum of 12 fencers for any Senior World Cup or Grand Prix competition and 4 for any satellite competition that are not selection events. In some cases, more than 4 athletes will be permitted to attend a satellite if the athletes cover all referee costs associated with the event. The quota for a World Cup (Category A) event staged in Canada is 30.

**Final Entry Selection:** Within five (5) business days after the deadline, the list of selected fencers for the competition will be finalized. The list of selected fencer will be compiled as follows, with the HPAC having final approval:

1. registrations will first be accepted from HPP athletes and will be prioritized according to the HPP rankings.
2. any other athletes who are not members of the HPP may request permission from the Senior NTC to register if there are still spots available;

Results that change the point standings between the selection date and the competition have no bearing on the selection.

**Withdrawals from an FIE Competition:** Withdrawals must be received by the CFF by e-mail at [hppc@fencing.ca](mailto:hppc@fencing.ca), at least 14 days prior to the first day of the competition. Voice mail is not acceptable. Fencers withdrawing after the deadline or who do not show up at the competition will be fined **\$1,500.00 and will be suspended from any future International selections until the**

---

**fine is paid.** This is a fine assessed by the FIE to the CFF and it will be passed on to the athlete at fault. Exception to this fine will be considered if the fencer is withdrawing due to a “force majeure” situation such as an injury or illness, which prevents the fencer from competing. Medical documentation from a doctor must accompany the withdrawal notice, which must be sent by e-mail with the withdrawal request **before** the scheduled competition.

### **Notification**

Following confirmation of participation, the final registration list is e-mailed to all fencers, their personal coaches and to the pertinent Senior NTC's.

**Minor athletes participating in any of these events must be accompanied by an adult (parent, personal coach or other guardian).**

Athletes should not make any travel arrangements until they have received an e-mail confirming that they are registered.

### ***5. National Team Projects (NTP's)***

In each weapon, certain designated International selection competitions have also been designated as NTP's.

Each HPP athlete will be provided with a tracksuit the first time that they register for the CFF HPP during the 2016-2020 quadrennial. All athletes must keep this podium suit until the conclusion of the 2020 season and wear it for all NTP's and any other team selections. Should an athlete require a new podium suit, the athlete will be charged a \$200 replacement fee.

Athletes are responsible for all costs associated with NTP's, including airfare, ground transportation, accommodation, food and any individual competition entry fees.

Athletes will be invoiced and payment for any amount owed to the CFF is to be received **prior** to the event through the CFF on-line payment system, unless prior arrangements have been made with the CFF. If the athlete has overpaid or holds a credit, the balance will be retained by the CFF and used as a credit for following events. Credit balances will be refunded to the athlete at the end of the season. Athletes will be sent invoices and statements by e-mail indicating the amount owed for each NTP.

Athletes that have unpaid accounts will not be eligible to compete in events and any points so earned will not count towards an HP selection rankings. The CFF imposes an interest charge for any amounts that are 30 days past due of 2.5% per month. Furthermore, any HPP athlete who has an outstanding balance with the CFF will not be selected for an NTP until all past due accounts have been settled.

**Selection Process and Criteria for NTPs:** The Senior NTC for the respective weapon/gender, will make all selections for the NTPs using the following criteria:

The maximum number of athletes who will be selected from the HPP are 12 fencers for World Cups, 12 for Grand Prix events and 4 for satellite events. In some cases, more than 4 athletes will be allowed to attend and any referee costs will be the responsibility of the athletes participating.

For NTPs that include a Team World Cup, the Senior NTC will select the athletes to participate in the Team event. All other athletes participating in the project will only participate in the individual event.

**NOTES**

Carded athletes, are reminded that they are required to take part in all NTP’s (for which they are selected) in their entirety. Failure to do so could result in the Senior NTC recommending that the athlete be removed from the HPP and carding be revoked.

Carded athletes who are still juniors may be exempted by the Senior NTC from a NTP or part of an NTP to focus on their preparation for the Junior World Championships.
