

## **2020 Olympic Games Internal Nomination Procedure – Fencing**

### **INTRODUCTION**

This version of the Fencing INP was approved on July 7<sup>th</sup>, 2020 and replaces the version of the INP approved on April 1<sup>st</sup>, 2019 and any other previous version of this INP as it relates to the Tokyo Olympic Games.

*The Canadian Fencing Federation is carefully following the evolution of the coronavirus on the global and domestic level and how it may impact obtaining quota spots for the 2020 Tokyo Olympic Games and/or domestic nomination of athletes for the 2020 Tokyo Olympic Games. Unless otherwise required by exceptional and unforeseen circumstances related to the impact of the coronavirus, the Canadian Fencing Federation will respect these published Internal Nomination Procedures as written.*

*However, situations related to the coronavirus pandemic may arise that require this Internal Nomination Procedure to be modified. Any modifications will be made promptly and as often as required following developments that directly impact the Internal Nomination Procedure. In such circumstances, any modifications will be communicated to all affected individuals as soon as possible.*

*Further, situations may arise that do not allow this Internal Nomination Procedure to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority, as stated in this Internal Nomination Procedure, in consultation with the relevant individual(s) or committee(s) (as applicable), and in accordance with the stated performance objectives and selection philosophy and approach as stated herein. Should it be necessary to make any decision in this manner, The Canadian Fencing Federation will communicate with all affected individuals as soon as possible.*

#### Purpose

- ✓ The purpose of this Internal Nomination Procedure is to set out the process and criteria that will be used by the Canadian Fencing Federation to select athletes and coaches to the Tokyo 2020 Olympic Games team.

#### Objectives

- ✓ This Internal Nomination Procedure was developed with the objective of selecting athletes and coaches with the potential to win a medal. In the event that no athletes who are eligible for selection have demonstrated the potential to win a medal, the objective is the highest possible position of finish at the 2020 Olympic Games.

#### Team Size

The number of athletes nominated to the Tokyo 2020 Olympic Games will be determined by the number of quota spots qualified by Canada during the qualification process following the qualification process of the Fédération Internationale d'Escrime (FIE), as it appears in the FIE <http://fencing.ca/wp-content/uploads/123779-2020-05-08-Tokyo-2020-Revised-Qualification-System-Fencing-ENG.pdf>

## **DECISION MAKING AUTHORITY**

- The High Performance Director (HPD), in consultation with the High Performance Advisory Committee (HPC), is responsible for developing and approving this Internal Nomination Procedure to determine which athletes will be nominated to the Canadian Olympic Committee (COC) for the 2020 Olympic Games.
- The Canadian Olympic Committee mandates the Canadian Fencing Federation to determine the Internal Nomination Procedures for the athletes and staff that will be nominated to the COC for the 2020 Games.
- The national team coaches are responsible to put forward nominations to the HPD of individual and team athletes in accordance with the criteria found in this Internal Nomination Procedure. All nominations, including alternates and staff, must be ratified by the HPD in consultation with the High Performance Advisory Committee, composed of Jean-Marie Banos, Igor Tikhomirov, Michael Pederson and Monica Peterson.
- The HPD is responsible for ensuring that the process outlined in this document is properly followed and that the nomination process is fair and equitable for all eligible candidates.
- The HPD has the final authority over the nomination of the team.
- Where there is a lack of clarity or if unanticipated circumstances arise that are not covered in this Internal Nomination Procedure, a final and binding decision will be made by the HPD, in consultation with the HPC.
- All Canadian Fencing Federation nominations are also subject to the approval of the COC.

### Decision-making power at the 2020 Games.

During the on-site competition period during the Tokyo 2020 Olympic Games, the decision-making power will be exercised by the High Performance Director.

## **RULES AND REGULATIONS OF THE FIE**

This Internal Nomination Procedure is based on the rules and regulations of the FIE as currently known and understood and on the basis of the most recent information available to the Canadian Fencing Federation.

Any changes to this Internal Nomination Procedure as a result of a change to the rules and regulations of the FIE will be communicated by the Canadian Fencing Federation to affected athletes as soon as reasonably possible.

In such circumstances, the Canadian Fencing Federation will review and amend this Internal Nomination Procedure to comply with the new rules and conditions. Changes to this document will be communicated directly to the affected athletes and will be posted on the Canadian Fencing Federation's website.

The criteria of the International Fencing Federation can be found at this link:

- Athletes and coaches must abide by the CFF Code of Conduct and all other Canadian Fencing Federation policies.

### Other

- Athletes named to compete in the 2020 Olympic Games will be required to comply with dress code regulations of the Canadian Fencing Federation Team and the COC.
- Athletes named to the 2020 Games will only be allowed to use equipment that meets with the rules and regulations of the FIE and IOC.

## **NSF SELECTION CRITERIA**

The Canadian Fencing Federation will identify the eligible athletes it will nominate as follows:

### Individual selection

Athletes will be selected on the basis of the FIE Olympic Qualification System <http://fencing.ca/wp-content/uploads/123779-2020-05-08-Tokyo-2020-Revised-Qualification-System-Fencing-ENG.pdf> if the team does not qualify in a specific event.

### Team selection

- If a team qualifies for the Tokyo 2020 Games as per the guidelines of the FIE Olympic Qualification System, the three fencers who are ranked highest in the FIE ranking on April 5, 2021 will be nominated for selection to the Olympic team provided that they have earned at least 30 FIE ranking points between April 3, 2019 and March 8, 2020 and from a date to be determined to April 5, 2021.
- If one or more athletes do not have the 30 points on the FIE ranking, the highest ranked fencers within a minimum of 8 FIE ranking points between November 1st, 2019 and March 8, 2020 and from a date to be determined to April 5, 2021 will be selected to the Olympic team based on the FIE ranking.
- If one or more athletes have not reached the 8 points in the FIE ranking, athletes will be selected according to the Canadian Fencing Federation High Performance Ranking posted on the Canadian Fencing Federation website, which will count the top 3 results in World Cups, the best result in a Grand Prix between November 1st, 2019 and March 8, 2020 and from a date to be determined to April 5, 2021 will be selected.

## **Tie-Breaking**

Should two (2) or more fencers be tied with the same point total, the tie will be broken as follows:

1. the athlete with the most FIE points earned between January 1, 2020 and **March 8, 2020 and from a date to be determined to April 5, 2021** will be ranked ahead.
2. Should a tie still exist, the athlete with the best single result (by place) at a World Cup or Grand Prix between January 1, 2020 and **March 8, 2020 and from a date to be determined to April 5, 2021** will be ranked ahead;
3. Should a tie still exist, the athlete with the best result (by place) at the World Cup or Grand Prix before the official nomination deadline (**i.e., April 5, 2021**).

#### Selection of alternate athletes

The selection of alternate athletes will be nominated in accordance to the following criteria:

1. Performance in the Team World Cups in the 2019/2020 and **2020/2021**
2. The athlete with the highest FIE ranking (calculated from August 27, 2019 – **March 8, 2020 and from a date to be determined to April 5, 2021** who has not already been nominated to the 2020 Olympic Team;
3. The CFF High Performance Ranking
4. The athlete's commitment to the program (see below *Performance readiness*)
5. Demonstrated ability and willingness to work effectively and cooperate in a team environment.

An alternate athlete can replace any of the three athletes who have been nominated to fence the individual event.

An alternate will be selected only if the team is qualified.

#### Performance Readiness

All nominations are conditional on the athlete following:

- The training, competition and training camp plan approved by the senior national team coach.
- An athlete must participate in at least 6 FIE competitions between April 1, 2019 and **March 8, 2020 and from a date to be determined to April 5, 2021**. The 2019 Pan Am Championships and World Championships are not included in these 6 competitions.
- **Participate, report and track the monitoring program (PUSH) for their weapon.**
- **Train at least 28 days in a CFF High Performance Training Center, or at the National Center (INS), or in an international training structure between July 1<sup>st</sup>, 2020 and April 5<sup>th</sup>, 2021.**

#### **Note**

It is possible to request for an exemption for one the Performance Readiness criteria cited above. Exemptions can be requested in advance. Exemptions will be granted on a case-by-case basis once discussed between the HPD and the National Coach.

For an injury / illness, athlete must justify it by presenting a medical certificate given by a physician recognized by the CFF.

### Injuries

In the event that an athlete is injured (or ill), the Head Coach and the High Performance Director will consider the medical recommendations made by Suzanne Leclerc (doctor at the INSQ) in making their final decision.

Injured or ill athletes will be tested to demonstrate their readiness as determined by the Head Coach in consultation with the athlete's personal trainer and the HPD. Such tests will consist of a controlled performance such as a competition or a test or tests or trials in observation.

The expected outcome of this test, which will take place in Canada, will be determined in advance. These athletes will not travel with the team unless the Head Coach and the HPD are satisfied that the athlete's performance is at the level that they were at when nominated for selection to the 2020 Olympic Team or that the athlete's performance will be at this level by the time they compete at the 2020 Olympic Games.

If, once at the 2020 Olympic Games, it is determined by the HPD that the athlete is not ready for the competition as a result of an injury or illness, or it is discovered that they have not disclosed an injury or illness that, on the basis of the opinion of team medical staff, will have a negative impact on their performance or may aggravate their injury or illness, the athlete may be withdrawn from competition. In this case, the alternate will be allowed to compete.

### Removal of an athlete once selected

- An athlete from being considered for nomination to the Canadian Team could be removed if the athlete is found to have committed a Code of Conduct violation by an independent disciplinary panel and that violation results in a suspension that will run through the Games, or the conduct would bring CFF's reputation into disrepute. A copy of the Code of Conduct is available at <http://fencing.ca/wp-content/uploads/Code-of-Conduct-Revised-Athlete-Agreement.pdf>
- The CFF will advise the affected athlete, in writing, of his/her/their decision.
- An athlete or coach will be removed from the team if he/she is in violation of any anti-doping policy or procedure as outlined by the CFF, World Anti-Doping Agency (WADA), and the Canadian Centre for Ethics in Sport (CCES) they are found to have committed an anti-doping rule violation or have been provisionally suspended by any Anti-Doping Organization that has jurisdiction over the athlete.

## CONFIRMATION OF ENTRIES

As of **June 1, 2021**, the athletes to be nominated by the COC for a position on the 2020 Canadian Olympic Team will be determined.

In addition, on **June 1, 2021** the CFF shall determine the athletes it will select as alternates to the athletes it proposes to nominate to the COC for positions on the 2020 Canadian Olympic Team.

Subject to any revisions required by an athlete's decision to decline a nomination to be a member of the 2020 Canadian Olympic Team, or by an athlete's inability to participate at a competitive level due to a health-related curtailment of activities, the CFF shall submit its list of athlete and alternates being nominated to the COC for the 2020 Canadian Olympic Team **on June 8, 2021**

### Late Athlete Replacement Policy

- Substitutions after nomination to the COC are subject to the approval of the COC Team Selection Committee. Any such replacements after **July 5, 2021** are also subject to the IOC Late Athlete Replacement Policy.
- Should a nominated athlete, at any time between the sport entry deadline of **July 5, 2021** and the sport technical meeting for the 2020 Tokyo Games, decline his or her nomination or be declared unable to participate in a competitive manner, that athlete shall be replaced, subject to the IOC Late Athlete Replacement Policy, and FIE regulations, by the highest ranked alternate (or alternates) in his or her event (or events).

## AMENDMENTS & UNFORESEEN CIRCUMSTANCES

*This INP is intended to apply as drafted and, specifically, where no athletes are prevented from competing because of an unforeseen injury or other unanticipated or unforeseen circumstances. Situations may arise where unforeseen circumstances or circumstances beyond the Canadian Fencing Federation's control do not allow competition or nomination to take place in a fair manner or in the best interests of the priorities and general principles for selection as indicated in these criteria, or do not allow the procedure for nomination as described in this document to be applied.*

*In the event of such unforeseen circumstances the **HPD** will, where possible, consult with **the HP Advisory Committee** to determine if the circumstances justify competition or nomination should take place in an alternative manner. In such circumstances, the **HPD** shall communicate the alternative selection or nomination process to all impacted individuals as soon as possible.*

- The HPD reserves the right to amend the Criteria prior to the Final Nomination Date. The HPD may amend the Criteria under the following circumstances:
  1. When additional (or altered) information that is deemed relevant by the HPD to the Criteria is provided by external parties, such as (but not limited

- to) an event organizing committee, Sport Canada, the COC, FIE, or any other relevant organization; and
  - 2. To correct, clarify or amend any inconsistencies, errors or omissions in the Criteria.
- Any changes made by the HPD are deemed to come into effect immediately upon publication on the CFF website. The HPD will publish the amended Criteria by whatever means and wherever the original Criteria were published.
  - Any changes to this document must be communicated directly to affected athletes, their coaches and national team coaches.
  - This clause must not be used to justify modifications after a competition or training camp that is part of these internal nomination procedures, unless it is related to an unforeseen circumstance.
  - Changes to this document may be required due to a typographical error or unclear definition or wording.
  - In case of modification of this document, the CFF will inform the COC of the changes and reasons for these changes as soon as possible.
  - If unforeseen circumstances beyond the CFF's control prevent the HPD from fairly implementing this Internal Nomination Procedure as written, the HPD will have discretion to resolve the issue as he or she sees fit taking into account the factors and characteristics and circumstances that it considers relevant.
  - In cases where unforeseen circumstances make it difficult to apply the selection process fairly and objectively, the CFF Board, in consultation with the Executive Director, reserves the right to decide on the appropriate course of action.
  - The High Performance Director reserves the right to review and modify any selection criteria or decision related to the selection process in the event of rule changes or policies of the FIE or the International Olympic Committee that have an impact on the selection criteria set out in this document.
  - In the event that the selection criteria are changed, the CFF will promptly post an announcement on its website announcing the changes.

## **APPEALS**

- CFF nominations to the COC for the 2020 Tokyo Games may be appealed in accordance with the procedures set out in the CFF Appeal Policy.  
<http://fencing.ca/wp-content/uploads/Selection-Appeals-policy-Aug.-2018.pdf>
- In accordance with CFF By-Laws, any disagreement involving a national team player and the CFF shall be heard by the Sport Dispute Resolution Centre of Canada (SRDCC).
- A dispute must be filed by the athlete within 7 days of CFF's publication of the 2020 Tokyo Games Team – Definite Entry and Alternate List.

## **GENERAL**

- The Internal Nomination Procedures for the 2020 Tokyo Games will be communicated through CFF official publications, posted on the CFF web site and distributed by email to **2019-2020** CFF HPP members.

## STAFF SELECTION

- The nominated team leader must satisfy the expectations and requirements of the COC's *Team Leader Position Description*.
- The HPD, in consultation with the HPC, has the sole discretion in selecting the support staff, including team leader, coach(s) for the 2020 Olympic Games.
- The support staff will be selected based on the principle of sending a team of specialists that is best capable of assisting athletes in achieving podium performances at the Games. All selections are subject to COC approval.
