- In the event that only three athletes achieve this criteria, these athletes will be selected in the order of HP points accumulated for qualifying events as described in the points grid (top 2 Individual; 3rd in Team only).

- In the event that only two athletes achieve this criteria, these two athletes will be selected while the third athlete will be selected by the selection panel and will participate in the team event only.
- In the event that only one athlete achieves this criteria, this athlete will be selected and the other two athletes (one for individual and team and the other one for team only) will be selected by the selection panel.
- In the event that no athletes achieve this criteria, the athlete with the most HP points accumulated during the season will be selected and the other two athletes ((one for individual and team and the other one for team only) will be selected by the selection panel.

Tiebreaker

Should two (2) or more fencers be tied with the same point total, the tie will be broken as follows:

- By the best result (by HP points) in the designated international competitions.
Should a tie still exist, the tie will be broken
- By the best result in the most recent designated international competition

High Performance Selection Panel

The High Performance selection panel will make the initial selections for all World Championships, Pan-American Championships and Pan Am Games, and will be comprised of the following members:

- The High Performance Director (Chair);
- The national coach (or designate) for the appropriate weapon
- The Executive Director of the CFF
- The President of the CFF or a representative of the CFF Board of Directors designated by the President of the CFF.

- The HPD will be replaced with someone appointed by the CFF Executive Director.
- The National coach will be replaced with someone appointed by the HPD.
- The President of the Board will be replaced with another board representative appointed by the Board.
- The CFF Executive Director will be replaced by someone appointed by the President.

The Selection panel reserves the right to withdraw an athlete from a selection in the following cases:

1. If the athlete does not respect his/her yearly training and competition plan designated by the HPP. Exemptions can be requested in advance of a specific event. Exemptions will be granted on a case by case basis by the HPD once discussed between the HPD and the National Coach.
2. If the athlete has not fulfilled his/her responsibilities as identified in the “HPP Athlete Agreement”.
3. In order to abide by a code of conduct breach decision made by the appropriate disciplinary mechanism.
4. If the athlete has outstanding debts with the CFF.

Panel Selections

In all cases where the selection panel will determine which athletes qualify for a tournament, the following criteria will be used in no particular order:

- Training commitment (e.g., Evidence of following a 20 hour per week training schedule)
- Designated National Team training camp commitment and participation
- Tournament commitment (e.g., number of events attended, tournament readiness)
- Contribution to Team results
- Working relationship with national team program and coaches
- Disciplinary issues
- Past performance (e.g., consistently improving results over the athletes’ career or maintaining high standards - world cup finals)

Injuries

In the event that an athlete is injured (or ill), the Head Coach and the High Performance Director will consider the medical recommendations made by a CFF approved sports medicine specialist in making their final decision.

Injured or ill athletes will be tested to demonstrate their readiness as determined by the Head Coach in consultation with the athlete's personal trainer and the HPD. Such tests will consist of a controlled performance such as a competition or a test or tests or trials in observation.

The expected outcome of this test, which will take place in Canada, will be determined in advance. These athletes will not travel with the team unless the Head Coach and the HPD are satisfied that the athlete's performance is at the level that they were at when nominated for selection to the 2023 Pan-American Games Team or that the athlete's performance will be at this level by the time they compete at the 2023 Pan-American Games.

If, once at the 2023 Pan-American Games, it is determined by the HPD that the athlete is not ready for the competition as a result of an injury or illness, or it is discovered that they have not disclosed an injury or illness that, on the basis of the opinion of team medical staff, will have a negative impact on their performance or may aggravate their injury or illness, the athlete may be withdrawn from competition. In this case, the alternate will be allowed to compete.

Removal of an athlete once selected

- An athlete from being considered for nomination to the Canadian Team could be removed if the athlete is found to have committed a Code of Conduct violation by an independent disciplinary panel and that violation results in a suspension that will run through the Games, or the conduct would bring CFF's reputation into disrepute. A copy of the Code of Conduct and Ethics is available at <http://fencing.ca/wp-content/uploads/Code-of-Conduct-and-Ethics.pdf>
- The CFF will advise the affected athlete, in writing, of his/her/their decision.
- An athlete or coach will be removed from the team if he/she is in violation of any anti-doping policy or procedure as outlined by the CFF, World Anti-Doping Agency (WADA), and the Canadian Centre for Ethics in Sport (CCES) they are found to have committed an anti-doping rule violation or have been provisionally suspended by any Anti-Doping Organization that has jurisdiction over the athlete.

In addition, on June 5, 2023 the CFF shall determine the athletes it will select as alternates to the athletes it proposes to nominate to the COC for positions on the 2023 Pan-American Games Team.

Subject to any revisions required by an athlete's decision to decline a nomination to be a member of the 2023 Pan-American Games Team, or by an athlete's inability to participate at a competitive level due to a health-related curtailment of activities, the CFF shall submit its list of athlete and alternates being nominated to the COC for the 2023 Pan-American Games Team by September 26, 2023.
