INTRODUCTION

This Handbook contains the selection policies which the Canadian Fencing Federation (CFF) will use to select epee athletes who will represent Canada at the Junior and Cadet Pan Am Championships and World Championships, as well as at the Senior Olympic zone Qualification Tournament (OQT), Senior Pan Am Championships and the Olympic Games in 2020. This information will allow athletes and their coaches to develop annual training and competition plans for the season.

While every effort has been made to ensure the accuracy of the material contained within this Handbook, readers are advised to consult with the CFF High Performance Director if they have questions about any element contained within.

Similarly, the dates of international selection competitions are accurate as of the date of publication of this Handbook, but dates and events can and do change. Please verify competition details before making final travel arrangements. Furthermore, it is the athlete's (and their personal coaches') responsibility to be familiar with the information found in this document.

CHANGES TO THIS HANDBOOK

The CFF has taken every possible step to ensure that the material in this Handbook will remain accurate for the entire season, but in instances where changes do occur, specifically to international selection competitions, the HP Director (in consultation with the High Performance Advisory Committee (HPAC)) reserves the right to make changes to this Handbook, which in its discretion are necessary to ensure the selection of the best teams for each season's events.

Any changes to this Handbook shall be communicated directly to all High Performance Program members. This clause shall not be used to justify changes after a competition or trials, which formed part of the internal nomination procedure unless it is related to an unforeseen circumstance.

The purpose of this section is to allow for changes to this Handbook that may become necessary due to a typographical error or a lack of clarity in a definition or wording before it has an impact on athletes. The purpose of such changes must be in order to avoid disputes over the meaning of the provisions of this Handbook rather than to allow changes to be made to justify selection of different athletes than would have otherwise been selected.

All changes must be reasonably justifiable in accordance with fundamental principles of natural justice and procedural fairness.

HIGH PERFORMANCE ADVISORY COMMITTEE (HPAC)

- **JEAN-MARIE BANOS – COMMITTEE MEMBER**
- **MICHAEL PEDERSON – COMMITTEE MEMBER**
- **IGOR TIKHOMIROV – COMMITTEE MEMBER**

REGISTRATION POLICY AT COMPETITIONS AND TRAINING CAMPS

North American Cups

Selection: Open to any Canadian athlete with a CFF license.

Since 2018, the United States Fencing Association (USFA) has required foreign fencers to pay a specific license fee for non-resident fencers in the USA. Canadian athletes will be required to purchase this license when registering for a NAC.

The USFA does impose a minimum standard for Div. I and Junior NACs. They require that a fencer have a “C” rating or higher to register for a Div. I NAC and may require a “B” rating or higher to register for a Junior NAC.

Fencers are responsible for their own registration and travel arrangements to these competitions. Before booking flights for NAC events, please confirm all dates, locations and registration deadlines on the USFA web site:

NAC – USFA: www.usfencing.org

FIE / EFC competitions

Only the CFF can register fencers for FIE and / or EFC competitions. Therefore, to be eligible for selection for any FIE or EFC competition, an athlete must:

- o Hold a valid CFF license for the current season;
- o Hold a valid FIE and / or EFC license for the current season;
- o Be a Canadian citizen;
- o Have satisfied all the selection criteria published for the competition in question.

You can purchase your FIE and / or EFC license on the CFF website.

Fencers are responsible for:

- their own registration through CFF (<https://events.fencing.ca/international-events/>)
- travel arrangements to these competitions.

Please confirm all dates, locations and registration deadlines on the respective websites before booking flights. Athletes should not make any travel arrangements until they have received an e-mail confirming that they are registered.

All requests for registration for EFC competitions must be made as indicated in the sections below:

- **Registration fees:** A fee of \$200 will be applied for each FIE or EFC competition registration to cover the referee fees required in these tournaments. Athletes who register in a Senior World Cup or for the World Championships (cadet, junior, and senior) are exempt from these fees.
- **Registration deadline:** Twenty one days (21) before the first day of competition. After this time late requests may be considered, and late fees will apply.

- **Entry Procedures:** To request participation in an international event each athlete must complete the online request process on the CFF website found under the High Performance tab. (<https://events.fencing.ca/international-events/>)
- **Team competition:** When this is the case, participation in the team event is strongly recommended. You can register in team events under the High Performance tab: (<https://events.fencing.ca/international-events/>). The National Team coach will select the athletes for the senior team competition. In cadet and junior, the HP ranking, on the selection date, will be used to select athletes on the team.
- **Withdrawals from an FIE / EFC Competition:** Withdrawals must be received by the CFF by e-mail at hp@fencing.ca, at least eight (8) days prior to the first day of the competition. Voice mail is not accepted. Fencers withdrawing after the deadline or who do not show up at the competition will be fined **\$1,500.00 and will be suspended from any future International selections until the fine is paid**. This is a fine assessed by the EFC to the CFF and it will be passed on to the athlete at fault. An exception to this fine will only be considered if the fencer is withdrawing due to a “force majeure” situation such as an injury or illness, which prevents the fencer from competing. Medical documentation from a doctor must accompany the withdrawal notice, which must be sent by e-mail with the withdrawal request **before** the scheduled competition.
- Minor athletes participating in any of these events must be accompanied by an adult (parent, personal coach or another guardian as outlined in a letter sent to the CFF).

National Training Camps

Registration for the Women’s Epee Training Camps is open to all CFF licensees. A \$200 fee is applied when registering on the CFF event website.
